(See directions on back for all locations)

A voluntary contribution of \$20 per vehicle is requested to offset the high cost of hazardous waste disposal.

**We will accept:**

House, garden and pool chemicals • Paint products • Automotive fluids • Fuels  
Propane tanks (1-20 lbs.) • Vehicle and household batteries • Mercury  
Passenger vehicle and pickup truck tires only (remove from rim)

**We will not accept:**

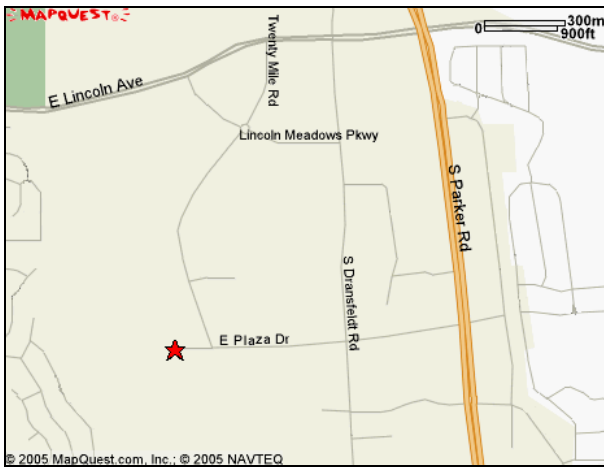

Business and commercial waste • Radioactive waste • Explosive waste • Smoke Detectors  
Asbestos containing waste • Compressed gases other than propane • Tractor Tires

**Latex Paint Waste Disposal and Reduction Tips**

- Water-based latex paint can be safely and legally disposed of in regular household garbage **IF** it is completely dried out. Mixing the paint with kitty litter or concrete-mix will help speed the drying process.
- Dry cans of paint, with lids removed, can be discarded in the trash.
- Buy only what you need by carefully estimating the square footage of the surfaces to be painted. One gallon of paint will cover about 350 square feet.
- Ask your local paint store if they provide small (1-2 ounce) samples for color testing before investing in gallons of paint.
- Apply extra coats if you have excess paint.
- Give any leftover paint to a neighbor in need.

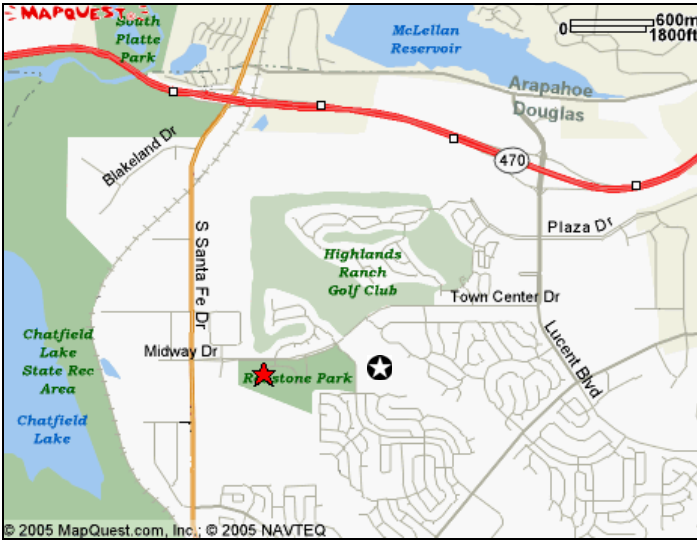

**For more information, call the Roundup Hotline 303-846-6249  
or visit [www.tchd.org/householdchemical.htm](http://www.tchd.org/householdchemical.htm)**

Please bring a driver's license, water bill, utility bill, or phone bill so that we may verify your address.
