

Happy Canyon Road Roundabout Update

October 13, 2011

24-Hour Roundabout Hotline: 303-952-0931

Gate 1 is on FULL CLOSURE and will remain closed through the end of the project. Residents and visitors please use Gate 3 or Gate 5 for entry to north side of the Village.

GATE 2

- Gate 2 returns to an unstaffed gate beginning on Thursday, October 13. [View Gate Hours](#)

GATE 3

- Gate 3 is open and now fully functional. We apologize for any inconvenience on Wednesday, October 12 while paving caused Gate 3 to temporarily close. [View Gate Hours](#)

GATE 4

- Gate 4 is open and fully functional. [View Gate Hours](#)

GATE 5

Gate 5 continues to be open to residents and guests. [View Gate Hours](#)

HAPPY CANYON ROAD – remains open to through traffic. Anticipate delays and plan accordingly.
The project is scheduled for completion by 10/31.

HOW TO DRIVE THROUGH A ROUNDABOUT

Still trying to figure out who goes first? Click [HERE](#) to watch a brief, yet very informative video on how to navigate through a roundabout.

TRAFFIC CONTROL PERSONNEL—are on the roadways working hard to make sure you travel safely through the construction zones.

PLEASE BE COURTEOUS to these individuals and give them a “brake”.

The speed limit in the work zones is 25 MPH and fines are doubled in these areas. Douglas County Sheriff's officers are patrolling and issuing citations so please SLOW DOWN, and be attentive to the traffic flows and the contractor personnel on the roadways. If you have any questions or need additional information please contact the Castle Pines Metropolitan District at 303-688-8330.

CAUTION—SLOW DOWN AND WATCH FOR CONSTRUCTION WORKERS!
