**Selection and installation of products is the sole responsibility of the applicant, as is determination of the adequacy and compatibility to their irrigation existing system. Metro assumes no responsibility for any damage that may occur to an applicant's property as a result of participation in this rebate program. Due to circumstances beyond its control, Metro cannot guarantee that the installation of the rotators will result in lower utility costs. Metro, its consultants and their sub-consultants do not assume any liability for services performed and are not responsible for any agreements made between customers and landscape contractors. Metro does not warrant the performance of any product listed above. Actual water savings may vary.**
